Subject: **Request for Approval of a \$70,000 Donation of Impact Fees to Weber Pathways for the Pineview Loop Pathway (Winters Grove to Old Snowbasin Road)**

Agenda Date: September 24, 2019

Documents: Exhibit A: Weber Pathways Request  
Exhibit B: Project Income and Expense Report  
Exhibit C: Memorandum of Understanding

---

**Summary:**

Weber Pathways is requesting an impact fee donation of \$70,000 for engineering and construction related expenses on a segment of the Pineview Loop Pathway (Winters Grove to Old Snowbasin Road). The project, consisting of asphaltting one half mile of pathway and constructing a new bridge, was completed in June 2019 at a cost of \$288,922. The requested impact fee donation will help cover cost overruns due to flooding and other issues experienced on this segment of the pathway, which connects Huntsville Town to 7450 East near Highway 39. The requested donation will come from the Upper Valley Trails Impact Fee account and the project is part of the approved impact fee trails plan. Earlier this year, Weber County donated \$100,000 to Weber Pathways for a new segment of this same pathway.

On June 18, 2019, the County Commission approved a memorandum of understanding (MOU) with Weber Pathways for all future impact fee donations. This MOU eliminates the need for a separate agreement with each donation request. Weber Pathways will apply to the County for future Impact fee donations and reference this MOU as the basis for compliance and approval.

**Recommendation:**

Approve the donation of \$70,000 from the Upper Valley Trails Impact Fee account for engineering and construction related expenses on a new section of the Pineview Loop Pathway (Winters Grove to Old Snowbasin Road).

**Fiscal Impact:**

Weber County will spend \$70,000 from the Upper Valley Trails Impact Fee account. There are sufficient funds in the account to cover this expense<sup>1</sup>.

---

<sup>1</sup> The Upper Valley Trails impact fee fund balance was approximately \$337,000 at the end of 2018. This number does not include additional revenues collected in 2019.

Dear Sean,

This is a request for a donation of \$70,000 to Weber Pathways from the trail-related impact fee fund to support the construction work that was performed on the Winters Grove section of the Pineview Loop Pathway. This project placed asphalt on a 1/2 mile of pathway and replaced a condemned, 100-year old bridge. The segment connects Huntsville Town to 7450 East near Hwy 39.

The project was scheduled to start early-2017. The project had to be rescoped after the spring runoff in 2017 caused extensive flooding to this area. It nearly washed away the proposed bridge site. The rescoping included redesigning the bridge abutments, the bridge and major realignment reconstruction to the South Fork River to prevent the new bridge from washing out.

The project was completed in June 2019 at total cost of \$288,922. The detailed expense records are available for the County's review.

Please feel free to contact me should you need additional information on these projects.

Sincerely,

Mark Benigni  
Executive Director

1. **PURPOSE:** To guarantee that Weber Pathways will use Weber County's donated impact fees in accordance with the approved Weber County Trails Impact Fee Facilities Plan and applicable County and State laws, ordinances, and policies. The County Commission finds that this donation will contribute to the safety, health, comfort, and convenience of county residents.
2. **SCOPE:** This Memorandum of Understanding (MOU) for the donation and use of impact fees is made between Weber Pathways and Weber County.
3. **UNDERSTANDING, AGREEMENTS, AND SUPPORT REQUIREMENTS:**
  - A. Weber Pathways is a nonprofit 501(c)(3) organization with a mission to "plan, promote, construct, and protect a network of public pathways, trails, and related open spaces for non-motorized users throughout the greater Weber County area."
  - B. Weber County intends to donate impact fees to Weber Pathways for the purpose of planning and building pathways and trails in unincorporated Weber County.
  - C. To receive donations of impact fees, Weber Pathways must apply to the County, specifying which projects the impact fees will be used for. Projects must be included in Weber County's Trails Impact Fee Facilities Plan.
  - D. Weber Pathways will only use Weber County's impact fee donations for engineering, environmental review, surveying, permitting, construction, project management, and any other project-specific tasks necessary to complete approved projects.
  - E. Weber Pathways will comply with all applicable County and State laws, ordinances, and policies.
  - F. Weber Pathways will account for the expenditure of impact fees and will provide updates to Weber County upon request.
  - G. Weber Pathways will defend, indemnify, and hold harmless County, its officers, agents, and employees from and against any claims or suits that arise as a result of impact fee donations, including improper use of impact fees.
4. **EFFECTIVE DATE:** This MOU is effective upon signature by both parties and will remain in effect until modified, replaced, or terminated by agreement of the parties.
5. **MODIFICATION:** Modification of this agreement requires written notification and approval by both parties 30 days in advance.

6. **GOVERNING LAW:** The laws of the State of Utah shall govern the validity, construction, enforcement, and interpretation of this agreement.
7. **ENTIRE AGREEMENT:** This agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and no other statement, whether written or oral, shall be deemed a part of this agreement unless specifically incorporated herein by reference.
